Guidelines for PhD Studies

1. General
The PhD program is a cooperation between SGU and TU Ilmenau based upon a contract (11 February 2003). The program will be supervised by the Technical University of Ilmenau / FRG but requires the final approval of the Rector of SGU.
2. Program
There are two types of PhD program:
 - a) the internal program at TU Ilmenau / FRG
 - b) the external program at SGU / Campus German Centre / BSD
3. Duration
The PhD program takes about 3 years.
4. Types of PhD
Dr.-Ing (Mechatronics, IT)
Dr.rer.pol. (Business Administration)
5. Requirements for applicants
 - 5.1 Applicants have to be either staff at SGU or master's graduates (S-2) of SGU
 - 5.2 Master's graduates (S-2) of SGU have to have a score of A.
6. Application Procedure
PhD applications have to be sent to the Rector of SGU.
7. Remuneration / Workload
 - 7.1 TU Ilmenau
There is no remuneration agreement at TU Ilmenau. However, after 1 year in Germany, a PhD candidate may be considered for remuneration if available.
 - 7.2 SGU
A PhD candidate will become a SGU staff member. The workload: 60% for academic work at SGU / 40% PhD work
