Before the start of the second and the following semesters, including internship semesters, all students who are still qualified as SGU students must re-register through SGU online system according to the applicable procedure and schedule. Students who want to take a leave semester(s) or an internship in the next semester must also re-register.

Students who do not re-register are regarded as taking a leave semester and they are notified in writing by Academic Services Centre (ASC).

4.3.2 Payment

After students do online re-registration, a digital invoice is issued through SGU online system. Students must pay the tuition fee to their virtual account accordingly. Students taking ≤ 12 SKS per semester pay half of the regular tuition fee.

4.3.3 Submission of Planned Course Form

A Planned Course Form (PCF) is a list of subjects students plan to take in the following semester. After successful payment, students must submit a Planned Course Form online, to be approved by the respective Academic Counsellor. Subject(s) with pre-requisite cannot be taken if the requirement is not fulfilled. Regardless of their previous semester GPA, students can take a maximum load of 24 SKS per semester.

Subject(s) to be re-taken must be included on the Planned Course Form submitted online by the student after consultation with the Academic Counsellor. Within 2 weeks after lecture begins, students may add to, reduce or change their plan of study by submitting a **Changed Course**

Form (CCF) online. The submission of CCF must be made only after consultation with the Academic Counsellor. Upon approval of the Academic Counsellor, a **Fixed Course Form (FCF)** is issued online. A Fixed Course Form is the final study plan of the student for one semester. Students cannot change subjects listed on FCF and the number of SKS is calculated from their FCF for their semester GPA.

CHAPTER 6 EVALUATION OF STUDY RESULT

6.1 Attendance at Regular Classes

The minimum attendance for each subject is 75%. Overall class absences for any subject in a semester of more than 25% leads to the consequence that the student cannot join the final examination; therefore the student will have "F" score of that particular subject. The 25% includes sickness and other absences, except in the case of a doctor's certificate being submitted within 48 hours, hospitalization with a doctor's certificate, official duty from University and force majeure. Special permission for university duties and urgent family matters should be requested from the Head of Study Program and Dean prior to the absence.

SGU reserves the right to check the validity of the doctor's certificate.

6.2 Late Arrival/Absence from Classes

Students who are late are not allowed to join the class and are regarded as absent for the respective lesson.

6.3 Semester Qualification

The semester qualification consists of:

40% Quizzes and Assignments

60% Final Examination (written, oral, project or paper)

There are no Repetition Examination and Oral Repetition Examination.

6.3.1 Quizzes and Assignments

During classes, there are quizzes (oral/written) and assignments (individual/groups). If students are absent from a quiz/assignment, they may be given 0 point for that quiz/assignment. One quiz score may be reserved for a score for the student's activity and contribution in the classes during the semester.

6.3.2 Final Examinations Eligibility

Final Examinations take place at the end of academic semesters for lectured subjects. Each Final Exam is in the form of written test, oral test, project or paper.

To be eligible to join a Final Examination, students must fulfill the following conditions:

- the subject is listed in the Fixed Course Form.
- students must have an attendance record of a minimum of 75% of classes for the respective subject.
- students must have fulfilled financial and other administrative requirements.

6.3.3 Absence from the Final Examinations

Absence from a final examination leads to a "0" score for that final examination. In the case of hospitalization with a doctor's certificate, accident or force majeure, students are eligible to take a Make-up Examination upon approval from the Dean.

6.3.4 Make-Up Examination

- A Make-up Examination is a final examination conducted outside the previously determined schedule and is in an equivalent of the Final Examination.
- A Make-up Examination is only given to students who are eligible (see point 6.3.3).
- The schedule for Make-up Examination is determined by the Examination Office and they have to be taken in that period of time.
- Students have to fill out a Make-up Examination Request form (available in the Study Program), provide all supporting documents and must have approval from the respective Dean. Then, students must submit the completed form to the Examination Office within a determined period.
- No fee is charged for Make-up Examinations.

6.4 Transcript of the Mid-Semester and Semester Report

- The mid-semester transcript is based on quizzes, assignments and attendance report up to the mid-semester.
- The semester transcript is based on quizzes, assignments, a final exam (or make-up exam) and an attendance report up to the end of the semester.

6.5.3 Fee for an Appeal

Students have to pay a fee prior to handing over the appeal. If the appeal is in favor of the students, the fee will be reimbursed to the students. For an administrative error there is no fee. The detailed guidelines regarding the implementation of fee for an appeal is stated in a separate policy.

6.5.4 Address for an Appeal

An appeal must be sent in writing to:

The Examination Steering Committee
Swiss German University
Edu Town BSD City
Tangerang 15339

6.6 Termination of Study

Termination of study takes place in the case of the following:

CHAPTER 7 CREDIT AND ACADEMIC SCORING

7 Points and Credits System

7.1.1 Credits System

A credits system based on Indonesian-SKS is applied. For Double Degree Bachelor's study programs, a European-ECTS system is also applied.

7.1.2 Points and Grading System

A points system based on a 100-point scale is applied. The conversion of the 100 points scale system to the letter grade is explained in Table 1 below.

The grading system of SGU uses letters (A, B, C, D, and F), 100 scale points (1 - 100), 4 scale points for Indonesia (0.0-4.0) and 5 scale points for Germany (1.0-5.0). The conversion between Indonesian and German grading system follows the conversion system agreed by SGU and the partner university. It applies to all courses presented towards a Bachelor's degree. This grading is also used for all examinations. In all relevant documentation this grading system has to be mentioned (for details see Annex 1).

Table 1. Grading Scale

Grade Letter	SGU	Indonesia Grade Point (GP)	Germany	Grade Description
A	90 – 100	4.0	1	Performance is outstanding
B	75 – 89	3.0 – 3.9	2	Performance is considerably higher than the average requirements
C	60 – 74	2.0 – 2.9	3	Performance meets the average requirements
D	50 – 59	1.0 – 1.9	4	Performance is poor and likely to lead to failure
F	< 50	0	5	Performance does not meet the minimum criteria. Considerable further work is required

7.1.3 Rounding

Scores are rounded up to the nearest integer (e.g. 60.4 to 60, 60.5 to 61).

7.1.4 Transcript

Documentation for scores (transcript) is provided by SGU every semester. The final transcript is provided after completion of study.

7.2 Student Grade Point Average (GPA)

GPA shows the level of the students' learning success for courses that have been taken and is indicated through a number taken to the second decimal point. GPA is divided into semester GPA and cumulative GPA.

7.2.2 Semester GPA

The semester GPA is taken from the calculation of grade points (GP) in one semester times credits for courses taken, divided by the sum of credits taken in that semester only.

$$\text{GPA} = \frac{\Sigma (C \times GP)}{\Sigma C}$$

C = The credit weight of each course taken during the semester is expressed in terms of Satuan Kredit Semester or SKS.

GP = the grade point of each course

7.2.3 Cumulative GPA

The cumulative GPA is the accumulation of $C \times GP$ divided by the number of credits taken, counted from the first semester until the last semester with following terms:

C is the credit weight of each course taken with the condition that repeated courses are only counted once with the best grade.

7.2.4 Graduation Predicate

There are 3 predicates for graduated students:

- For cumulative GPA 2.76 – 2.90: satisfactory
- For cumulative GPA 3.01 – 3.64: good
- For cumulative GPA 3.65 – 4.00: with distinction

Eligible students with a cumulative GPA between:

3.65 – 3.79 are awarded "cum laude"

3.80 – 3.89 are awarded "magna cum laude"

3.90 – 4.00 are awarded "summa cum laude"

Students eligible for the predicate "distinction" must fulfill, among others, the following criteria:

- Complete the study within 4 years
- Never take a leave semester
- Not have a grade lower than C in any subject
- Never re-take any subject
- Not be a transfer student

The "with distinction" predicate is awarded through a judicium in the SGU Academic Senate.

9.9.2 Late Delivery

Late delivery of the thesis proposal leads to the rejection of the proposal. A new proposal can be submitted in the following semester.

9.9.3 Evaluation

The respective study program evaluates the thesis proposal to determine the status of thesis proposal. This can be:

- a) Approved
- b) Approved with Modifications
- c) Not Approved

A thesis proposal with the classification "Approved with Modifications" or "Not Approved" must be re-submitted within 5 working days.

- b) After thesis defense
One hard copy and one soft copy (CD or DVD) has to be submitted to the Examination Office on the date given.

9.10.2 Late Submission

- a) Before the thesis defense
Late submission of the thesis work leads to the rejection of the thesis for the respective period. The students can re-submit the thesis proposal in the next semester.
- b) After the thesis defense
Late submission of the revised thesis work results in a delay of graduation. The respective student cannot join the graduation and does not receive any graduation documents, including a temporary graduation certificate, until all obligations are fulfilled.

In such cases the examination panel will not give any marks and the student must do or re-do the thesis under the conditions determined by the Examination Steering Committee.

- b) A rejected thesis can be revised during the time stated in the academic calendar in the next semester. Students have to register as a regular student in the next semester. A certain fee will be applied.
